

Locuz achieves Silver Certification from Cisco India

Locuz Enterprise Solutions announced today it has achieved Silver Certification from Cisco®. To earn Silver Certification, Locuz had to meet rigorous standards for networking competency, service, support and customer satisfaction set forth by Cisco.

Hyderabad, Andhra Pradesh, IND, 2008-10-26 07:21:01 (IndiaPRwire.com)

'Cisco is strategic to our business and over the last few years, we have been growing our business significantly especially in the area of Data Center & Unified Communications. The Silver Partner status is a demonstration of our competence in this domain and of our continued commitment to this relationship' said Mr Vijay Wadhi, MD, Locuz Enterprise Solutions Ltd.

'Cisco is committed to providing tools, training and programs to help drive partner growth, differentiation and profitability,' said Surinder Brar, senior director of worldwide channels at Cisco. 'With specializations in Security & Unified Communications, Locuz has made an investment in delivering the integrated and customized technology solutions today's customers demand.'

As a Cisco Silver Certified Partner, Locuz has met requirements for attaining a broad range of expertise. To achieve Cisco Silver Certification Locuz was required to achieve Cisco advanced specializations in two chosen technologies. In addition, Locuz was required to integrate Cisco Lifecycle Services into their offerings and maintain high levels of customer satisfaction based on independently audited customer satisfaction surveys.

- END -

Locuz is a subsidiary of 3i Infotech and leading Enterprise IT Infrastructure company based out of Hyderabad, India with offices in all the major cities.

The offerings include implementation and consulting services especially in the Datacentre, Network and Security. The focus is lifecycle in any given space.
